

207

Professional Green Painter's Tape

Product Description

207 is a professional painter's masking tape offering secure adhesion as well as clean and easy removal from most surfaces. It is also suitable for exposure to sunlight for up to 7 days. Its conformable backing offers excellent resistance to humidity and paint bleed-through. NOT Recommended for use on lacquer

Available in green.

Main Applications

- Exterior and interior masking (sunlight exposure)
- Unfinished wood
- Masking polyurethane coated surfaces
- New, unpainted or freshly painted drywall
