

214

Professional Dark Blue Painter's Tape

Product Description

214 is a professional painter's masking tape offering secure adhesion as well as clean and easy removal from most surfaces. It is also suitable for exposure to sunlight for up to 14 days. Its conformable backing offers excellent resistance to humidity and paint bleed-through. NOT Recommended for use on lacquer

Available in dark blue.

Main Applications

- Exterior and interior masking (sunlight exposure)
- Unfinished wood
- Masking polyurethane coated surfaces
- New, unpainted or freshly painted drywall
